

Program Checklist

- ☒ Generate & Download top students data from system (must be .xls file)
- ☒ Rename generated file to "GeneratedFile" (exact capitalisation with no spaces)
- ☒ Download database file (HighAchieverDatabase.xls)
- ☒ Copy & Paste both files into this folder (Highest_Achiever_Data_Pull)
- ☒ Press the program named "High Achiever" with a green & white icon
- ☒ Upload the newly updated database file (HighAchieverDatabase.xls)
- ☒ Data is stored in the file named "High Achiever S_ 20__". Enjoy~
